Weddings

All Seasons Catering is a full service catering company that has been serving the Bay Area for over 20 years. All Seasons has enjoyed working with numerous prestigious locations and clients throughout the years. From picnics to elegant feasts, wine country events, memorable weddings, and corporate galas, we take pride in providing the best full service catering possible. Our individually designed and exquisitely prepared menus are of the highest quality.

Our sample menus are only a starting point - a way to introduce ourselves and hopefully a way to assist you in the planning process. While we hope you like our ideas - they are only a beginning. After discussing your event, we will develop a proposal. We do our best to provide a proposal that includes cost for food and beverage, service, rentals and any special considerations.

From the very beginning, you will work with our on-staff wedding coordinator, who will be available to address your needs throughout the planning stages and throughout your event. In addition, All Seasons Catering offers optional wedding coordination services provided by Dina Balatti, certified wedding planner, and owner of Bella Celebrations. Pricing available upon request.
